Mention Oakura School)

These stationery items should last the whole school year. If your child still has some of the above supplies from this year, there is no need to purchase new things. We have a BYOD policy at Oakura School and would recommend that students from years 5 to 8 have their own device for use at school. The devices that we find most suit our students' learning needs are Chromebooks. Stationery can be ordered at the following places: Office Max - myschool.co.nz, Office Products – nzschoolshop.co.nz, or Warehouse Stationery – warehousestationery.co.nz.
